To Whom It May Concern:

This is to certify that Vie de France-Yamazaki, Incorporated in Elmsford, New York, is under my personal supervision. All ingredients are certified as kosher by recognized Orthodox kashrut supervisors and all cakes, cookies, pies, muffins and other bakery products are dairy. My certification covers only those products baked at the Elmsford facility. This certification extends through December 31, 2010.

Should you require additional information, please contact me at the number above.

Sincerely,

Barry A. Kenter
